## HOW TO GET STARTED

Please note when calculating prices that not all guests will require an individual invitation as many guests we can imagine will be couples & families. For quantities over 81 per artwork the price per unit will reduce. For an exact estimate please contact [emma@quintsofjersey.com](mailto:emma@quintsofjersey.com) to arrange your complimentary consultation.

**STEP 1:** The first step to creating your bespoke wedding stationery is for us to meet or have a Skype design call to discuss your wedding style. To arrange your complimentary consultation please email: [emma@quintsofjersey.com](mailto:emma@quintsofjersey.com) or call Emma on +44 (0) 1534 747311.

During our consultation, whether in person or via Skype we will conduct a design brainstorm looking at themes & styles that you may have in mind. If you don't have any ideas in mind that's not a problem, we can start from a blank canvas & discuss ideas which will help set the perfect scene for your big day. After the consultation an estimate will be sent through for review.

**STEP 2:** Please note before we create your wedding stationery presentation a £95 deposit will be required which is deducted from your wedding stationery order total. Within 5 working days of the deposit being received we will create your wedding stationery presentation where you can see your full stationery set elements & packaging, which will be sent via email to review.

**STEP 3:** Once you have received your wedding stationery presentation please proof & provide any amends. Two rounds of amends are included in the estimate to ensure the content & style is print perfect.

**STEP 4:** When you're happy that the artwork is print perfect a 'Sign off' email & the remaining amount minus the deposit will be required to confirm your print order. Within 10 working days of sign off we will print your wedding stationery & contact you to arrange collection / delivery date.
